Energy
Conference**
October 23-25, 2019, Iceland

SPONSORSHIP OPPORTUNITIES

The **Sustainable District Energy Conference 2019 – SDEC2019** offers a sponsorship programme is structured to ensure you reach key industry stakeholders. The expected audience on the conference are developers, investors, energy companies, private entities, financials institution, funds and governments representatives.

The sponsorships are used to cover expenses related to hosting the conference and providing our attendees with the best possible experience. SDEC is a non-profit event hosted by the Iceland Renewable Energy Cluster & Samorka the Federation of Energy and Utility Companies in Iceland.

PLATINUM SPONSORSHIP - The Platinum Sponsorship provide maximum visibility for your brand and impacts all SDEC attendees. The deadline to register as a Platinum sponsor is August 1, 2019.

GOLD SPONSORSHIP - The Gold Sponsorship provide high visibility for your brand and offers good opportunity to impact SDEC attendees. The deadline to register as a Gold sponsor is August 1, 2018.

SILVER SPONSORSHIP - SDEC offers selected companies and organizations the opportunity to make an impact during the conference. Under this approach the exhibition is excluded, giving companies with specific focus the opportunity to become visible at the conference without necessarily investing in a booth. The Silver Sponsorship provides good exposure that assists in reinforcing you company brand.

If your company is interested in participate in this event please contact the management directly:
